

BLING IT UP!

Rhinestones

Add **Rhinestones** to many of our items for extra attention and added perceived value! Rhinestones are proven winners for service related promotions, fund-raising and for souvenir retail opportunities. Add the pricing shown below to any of the open cell Scuba foam or neoprene items shown in this catalog to **BLING UP** your next order! See our website for colors available.

Spangles

Spangle are sequins without the needle punch and provide a more flashy look than plain sequins. Spangle sequins are a more economical alternative to rhinestones and are best used in awareness campaigns, awards, gifts, and in fund-raising. Add the pricing below to any of the open cell Scuba foam or neoprene items shown in this catalog. See our website for colors available.
